General description of the linguistic model of application in the territory

The linguistic model in the field of education is structured in 4 programs, available throughout the whole territory:

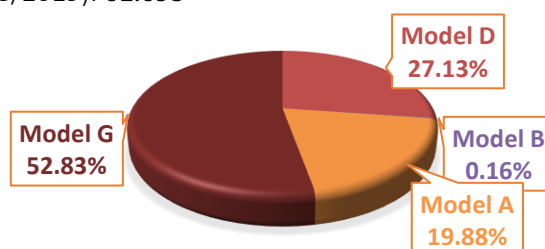

Model D: the language of the instruction is the Basque language (except for Spanish and English/French; French in some cases); maintenance (for Basque families) or early total immersion (for Spanish speaker's families).

Model B: the languages of instruction are both the Basque language and Spanish (Spanish as a subject plus one or two non-linguistic subjects); Enforcement of Spanish for Basque speakers (only in the Basque-speaking area).

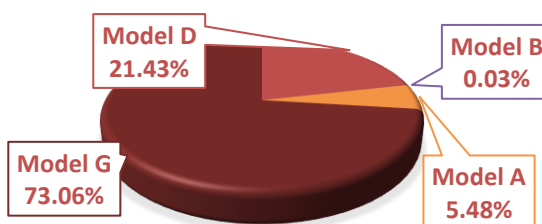

Model A: The language of instruction is Spanish with Basque language as a subject.

Model G: The language of instruction is Spanish only. Basque language is not taught.
